In the changing scenario of education, there is no field left untouched by stiff competition. Armed with excellent infrastructure and educational facilities, Blossom Public School & Jr College (New) is an ideal choice for parents seeking a qualitative educational institution for their children. JSPM provides a pollution free environment with complete personalized attention for its students. After all quality in education leads to a higher quality in life and that is what we at JSPM are constantly striving for.

**Mrs Rozy Singh  
Vice Principal**

We believe that knowledge beyond classroom is equally significant as the classroom interaction. Our students will be encouraged to organize, participate in various co-curricular, extra-curricular, cultural, competitive activities as well as sports. We are committed to provide academic excellence through quality teaching-learning, co-curricular and extracurricular activities and to develop socially responsible citizens with ethics and morals contributing to build up the nation.

# Vision

Providing affordable quality education by expanding our academic horizons and to set the institution on par by grooming the students into socially responsible globally competent and excellent human resource.
